Dear Sir

I am writing to express my strong interest in the FrontEnd internship. My name is Kabita Joshi, and I recently completed my Bachelor's degree in Computer Science from Siddhanath Science Campus, Mahendrangar. I am eager to gain practical experience in the field and further develop my skills as a software engineer.

I have recently completed an internship from ingrails Pvt.Ltd , and I am eager to apply the skills and knowledge I have gained during this training to a real-world setting. I am currently pursuing a MERN classes from Digital Pathsala that is sets to end on March,2024. I have participated certain bootcamps like Dashing December python Bootcamp, Dev react js . As a participant I honed my ability to built project and communication skill.

As a woman in the field of technology who love to interact with people, I am excited about the prospect of being part of an internship program that empowers and supports women in this industry. I believe that diversity and inclusion are critical for creating innovative solutions that can benefit society as a whole. The opportunity to work alongside other talented women and learn from their experiences would be invaluable to me.

I am eager to learn and contribute to the success of ThemeGrill as I continue to develop my skills in Software Engineeri. I am confident that this internship program would provide me with the opportunity to learn and grow both personally and professionally.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely, Kabita Joshi

Sincerely,

Kabita Joshi
